

CAAC LETTER 2018-03

May 3, 2018

MEMORANDUM FOR CIVILIAN AGENCIES

FROM: WILLIAM CLARK 
CHAIR
CIVILIAN AGENCY ACQUISITION COUNCIL (CAAC)

SUBJECT: Class Deviation from the Federal Acquisition Regulation (FAR) to increase the threshold for requiring certified cost or pricing data.

This CAAC letter is being issued to serve as consultation in accordance with FAR 1.404 authorizing agencies to issue a class deviation to implement a section of the National Defense Authorization Act for Fiscal Year 2018 to increase the threshold for requiring certified cost or pricing data.

The objective of the statute and this deviation is to implement Section 811 of the National Defense Authorization Act for Fiscal Year 2018 (FY 18 NDAA) which amends 10 U.S.C. 2306a and 41 U.S.C. 3502 to increase the threshold for certified cost or pricing data. This increase raises the threshold for requiring Certified Cost or Pricing Data from \$750,000 to \$2,000,000.

It is important to note that under the same U.S. Codes cited above, contracts entered into on or before June 30, 2018 are excluded from this threshold increase. Also, contractors for those contracts can request to modify such contracts, without consideration, to use the new threshold.

The Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration have undertaken rulemaking to formally incorporate the threshold increase concerning cost and pricing data into the FAR. The attached FAR text identifies the additions and deletions anticipated to implement Section 811 of the FY18 NDAA concerning these thresholds. These rulemaking changes will be published in the Federal Register. Pending publication of the amendment to the FAR via FAR Case 2018-005, agencies may authorize a class deviation to implement the threshold change in the statute. (See Attachment). The attachment also contains excerpts highlighting the effect of the statute and this deviation on FAR clauses 52.230-1 through 52.230-5 and FAR parts 30.201-4(b), 42.709-O(b), and 42.709-6.

This CAAC letter constitutes consultation with the Chair of the CAAC required by FAR 1.404(a)(1). Once processed, agencies are requested to share the deviation widely among their workforces to ensure full awareness of and compliance with Section 811 of FY18 NDAA concerning this threshold change. It is recommended that the deviation be made effective until the FAR is amended by the FAR case.

Agencies are reminded that FAR 1.404 requires agencies to furnish a copy of each approved class deviation to the FAR Secretariat, General Services Administration, Regulatory Secretariat (MVCB), 1800 F Street, NW, 2nd Floor, ATTN: Joanne Sosa, Washington, DC 20405. Agencies may also email the deviation to GSARegSec@gsa.gov.

If you have any questions or require additional information about this Letter, please contact Charles Gray by phone at 703-795-6328 or on line at Charles.gray@gsa.gov.

Part 15 Contracting by Negotiation

* * * * *

Subpart 15.4 -- Contract Pricing

* * * * *

15.403 Obtaining certified cost or pricing data.

* * * * *

15.403-4 Requiring certified cost or pricing data (10 U.S.C. 2306a and 41 U.S.C. chapter 35).

(a)(1) The contracting officer shall obtain certified cost or pricing data only if the contracting officer concludes that none of the exceptions in 15.403-1(b) applies. However, if the contracting officer has reason to believe exceptional circumstances exist and has sufficient data available to determine a fair and reasonable price, then the contracting officer should consider requesting a waiver under the exception at 15.403-1(b)(4). The threshold for obtaining certified cost or pricing data is ~~\$750,000~~**[\$2,000,000]**. Unless an exception applies, certified cost or pricing data are required before accomplishing any of the following actions expected to exceed the current threshold or, in the case of existing contracts, the threshold specified in the contract:

(i) The award of any negotiated contract (except for undefinitized actions such as letter contracts).

(ii) The award of a subcontract at any tier, if the contractor and each higher-tier subcontractor were required

to furnish certified cost or pricing data (but see waivers at 15.403-1(c)(4))

(iii) The modification of any sealed bid or negotiated contract (whether or not certified cost or pricing data were initially required) or any subcontract covered by paragraph (a)(1)(ii) of this subsection. Price adjustment amounts must consider both increases and decreases (e.g., a ~~[\$500,000]~~ ~~\$200,000~~ modification resulting from a reduction of ~~[\$1,500,000]~~ ~~\$500,000~~ and an increase of ~~[\$1,000,000]~~ ~~\$300,000~~ is a pricing adjustment exceeding ~~\$750,000~~ ~~[\$2,000,000]~~). This requirement does not apply when unrelated and separately priced changes for which certified cost or pricing data would not otherwise be required are included for administrative convenience in the same modification. Negotiated final pricing actions (such as termination settlements and total final price agreements for fixed-price incentive and redeterminable contracts) are contract modifications requiring certified cost or pricing data if-

(A) The total final price agreement for such settlements or agreements exceeds the pertinent threshold set forth at paragraph (a)(1) of this subsection; or

(B) The partial termination settlement plus the estimate to complete the continued portion of the contract exceeds the pertinent threshold set forth at paragraph (a)(1) of this subsection (see 49.105(c)(15)).

(1) Insert the clause at FAR 52.230-3, Disclosure and Consistency of Cost Accounting Practices, in negotiated

contracts when the contract amount is over \$750,000 [\$2,000,000], but less than \$50 million, and the offeror certifies it is eligible for and elects to use modified CAS coverage (see 48 CFR 9903.201-2 (FAR Appendix)), unless the clause prescribed in paragraph (c) of this subsection is used.
